

VOLUNTEERS POLICY

PURPOSE

To outline the processes that Port Phillip Specialist School will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

SCOPE

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

DEFINITIONS

Child-related work: work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

Closely related family member: parent, carer, parent/carer's spouse or domestic partner, stepparent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

Volunteer worker: A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.

School work: School work means:

- Carrying out the functions of a school council
- Any activity carried out for the welfare of a school, by the school council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the principal or school council
- Providing assistance in the work of any school or kindergarten
- Attending meetings in relation to government schools convened by any organisation which receives government financial support

This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (ie indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

POLICY

Port Phillip Specialist School is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. Port Phillip Specialist School also

PORT PHILLIP
Specialist School

recognises the valuable contribution that volunteers provide to our school community and the work that we do.

The procedures set out below are designed to ensure that Port Phillip Specialist School volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

Becoming a volunteer

Members of our school community who would like to volunteer are encouraged to contact Port Phillip Specialist School by phone or email and make an appointment with our Assistant Principal who will explain our requirement for volunteering such as Working With Children Checks forms and their roles in a classroom.

Child Safe Standards

All children and young people have the right to protection in their best interests. At Port Phillip Specialist School, we consider the health, safety and wellbeing of all children and young people to be our highest priority. We strive to ensure the safety and wellbeing of children and young people at our school at all times. We have zero tolerance of child abuse, and all allegations and safety concerns will be treated seriously and consistently. We are committed to creating a safe, respectful and inclusive school environment where all students can be happy, confident and resilient, regardless of their sexual or gender identity, cultural background disability or other circumstances. We take account of the diversity of all children, including the needs of Aboriginal and Torres Strait Islander children, children from culturally and linguistically diverse backgrounds, children with disabilities and vulnerable children.

Suitability checks including Working with Children Checks

Working with students

Port Phillip Specialist School values the many volunteers that assist in our classrooms/[with sports events/camps/excursions/school concerts/other events and programs]. To ensure that we are meeting our legal obligations under the *Working With Children Act 2005* (Vic) and the Child Safe Standards, Port Phillip Specialist School is required to undertake suitability checks which may include a Working With Children Check, proof of identity, work history involving children and/or reference checks.

Considering our legal obligations, and our commitment to ensuring that Port Phillip Specialist School is a child safe environment, we will require volunteers to obtain a WWC Check and produce their valid card to the office for verification in the following circumstances:

- **Volunteers who are not parent/family members** of any student at the school are required to have a WWC Check if they are engaged in child-related work regardless of whether they are being supervised.

PORT PHILLIP
Specialist School

Parent/family volunteers who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity.

Parent/family volunteers who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.

- **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

Non child-related work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example, volunteering on the weekend for gardening, maintenance, working bees, parents and friends club coordination, school council, participating in sub-committees of school council, fete coordination, other fundraising groups that meet in the evenings during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have Working with Children or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, Port Phillip Specialist School reserves the right to undertake suitability checks, including proof of identity, Working with Children Checks, at its discretion if considered necessary for any particular activities or circumstances.

Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's Child Safety Policy / Statement of Commitment to Child Safety and our Child Safety Code of Conduct. The principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Port Phillip Specialist School

Port Phillip Specialist School will provide any appropriate induction and/or training for all volunteer workers. The principal (or their nominee) will determine what induction and/or training is necessary depending on what type of work the volunteer will be engaged in.

All volunteers will be provided induction in relation to Port Phillip Specialist School child safety practices, including reporting obligations and procedures. Our school has a Child Safety Reporting Obligations Policy which all staff and volunteers should be aware of.

PORT PHILLIP Specialist School

The principal (or their nominee) will determine what supervision, if any, of volunteers is required for the type of work being performed.

Compensation

Personal injury

Volunteer workers are covered by the Department of Education and Training's Workers Compensation Policy if they suffer personal injury in the course of engaging in school work.

Property damage

If a volunteer worker suffers damage to their property in the course of carrying out school work, the Minister (or delegate) may authorise such compensation as they consider reasonable in the circumstances. Claims of this nature should be directed to the principal who will direct them to the Department's Legal Division.

Public liability insurance

The Department of Education and Training's public liability insurance policy applies when a volunteer worker engaged in school work is legally liable for:

- a claim for bodily injury to a third party
